➔ PROFILE

Creative-driven 24 years old Brazilian Filmmaker with a great eye for every detail. Passionate about Period Piece Wardrobe and Production Design and aim to inspire and inform the audience throughout great storytelling. I graduated from the New York Film Academy of Los Angeles where I studied and worked with filmmakers from all around the world and had the great opportunity to learn more about other cultures. I'm capable of working under pressure and solve various problems in pre-production, on set or in post. I'm always up for a new challenge and I'm eager to learn.
